

# Mane Menu™

## 14% Pelleted Horse

### Product Description

**Mane Menu™ 14% Pelleted Horse** is a moderate protein, pelleted grain ration for the maintenance of adult horses fed low to average quality hay or pasture. **Mane Menu™ 14% Pelleted Horse** offers a convenient nutritional package for the lifelong enjoyment of pleasure horses.

Available in a 50-lb bag.

### Features and Benefits

**Fixed-Component Formula** - *The composition of every Blue Seal® Horse Feed is always the same, regardless of ingredient prices. A consistent formula protects your horse against any sudden changes in their diet helping to maintain digestive health and performance.*

**Pelleted Form** - *High quality ingredients in a pelleted form improves the digestibility and nutrient utilization of grains in the horses' sensitive digestive tract.*

**Moderate Protein** - *Pleasure horses fed low to average quality hay have an increased requirement for added protein in their grain ration. Protein is essential for maintaining proper muscle function and condition.*

**Moderate Fiber Level** - *Promotes digestive health.*

**Guaranteed Levels of Calcium and Phosphorus** - *Helps ensure proper calcium to phosphorus ratio and guards against deficiencies.*

**Vitamins A, D and E** - *Provides a supplemental source to help guard against deficiencies and maintain optimal health and metabolism.*

## **Suggested Feeding Recommendations:**

**BLUE SEAL® MANE MENU™ 14% PELLETED HORSE** is a moderate protein, pelleted grain ration for pleasure/maintenance horses fed low to average quality hay or pasture.

Feed **BLUE SEAL® MANE MENU™ 14% PELLETED HORSE** at the rate of **0.40 – 0.80 lbs per 100 lbs body weight**. It is necessary to adjust the feeding to the condition of the horse.\* Provide horses with good quality hay or pasture, free choice salt and plenty of fresh water.

**\*IMPORTANT:** Additional mineral-vitamin fortification is recommended when quality roughage is a concern or if feeding below the recommended feeding range. Feed the appropriate Blue Seal® and/or Winning Touch® equine supplement.

If **MANE MENU™** is fed to breeding, performance, growing or senior horses, additional nutrient supplementation is recommended. Contact your Blue Seal representative for further feeding instructions.

***The suggested program above is intended solely as a guide. The variables of management, environment, and breed may dictate changes in the animal's requirements.***
