We can not guarantee availability without confirmation from us.

Special Orders for meat birds are available upon request. Please call or email with questions about these.

You can copy and paste this into an email if you would like to submit your order that way. You may fax your order.

ALL LAYING CHICKS ARE BEING VACCINATED AGAINST MARECK'S DISEASE THIS YEAR. THIS IS A PREVENTATIVE VACCINATION.

We want to be sure our customers are protected, due to the growing popularity of raising chickens.
